John H. Kinzie Mission Statement

Kinzie Elementary School's rigorous curriculum and diverse environment empowers all students to become critical thinkers, lifelong learners, global citizens and visionary leaders of the future.

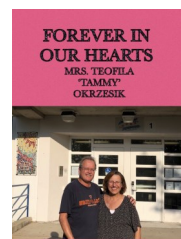

Septembers Learner Profile: Open-minded

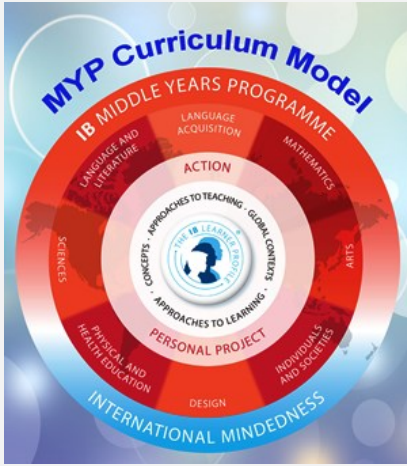

Students are comfortable with differences. They welcome and respect other people's points of view and ways of doing things. Below are students that exemplify this Learner Profile.

Mrs. Okrzesik became a part of the Kinzie family back in the 1990's. From the very start, she jumped right in and over time, she wore many different hats here at Kinzie. One of her most recent endeavors was working as the IB coordinator. She truly exemplified every trait that the program tries to instill in every student. Her optimism and passion for her students was inspiring. She will be missed dearly.

KINZIE Physical and Health Education DEPARTMENT

The Kinzie IB MYP PHE Department provides education for the whole child. Our approach is guided by global best practices and inspiring students. We aim to achieve success for all of our students through empowering our amazing, unique, and diverse students and community.

We offer Dance, fitness, team sports, team building, and recreational activities. In addition, the Kinzie PHE Department also has a partnership with Chicago State University and involves the community with events like the High school fair, basketball and volleyball games that includes staff, students, and parents.
