Self-assessment

Dawn Caetta (Jan 27, 2020)

Overall assessment: **4 (nearly all/all practices evident)**

Yes	The CIWP team has 8-12 members. Sound rationale is provided if team size is smaller or larger.
Yes	The CIWP team includes people who are responsible for implementing, those with institutional memory, and those most impacted.
Yes	The CIWP team includes staff reflecting the diversity of student demographics and school programs. The CIWP team should include content leads, program coordinators, staff serving student groups who are historically disadvantaged, etc.
Somewhat	The CIWP team includes parents, community members and LSC members.
Yes	All CIWP team members are meaningfully involved in the planning process for CIWP components as it relates to the CPS Spectrum of Inclusive Partnerships and as appropriate for each stakeholders role. (Resource: CPS Spectrum of Inclusive Partnerships)

Leadership and Structure for Continuous Improvement Expand all

4

Leadership for Continuous Improvement

- 4** Set the direction and create a sense of purpose by building consensus on and implementing a shared vision
- 4** Inspire a culture of collective responsibility for ALL students to succeed and for building a safer and more supportive environment throughout the school, not just in their own classrooms (REQUIRED: OSEL)
- 3** Empower others to make or influence significant decisions (REQUIRED: OSEL)
- 4** Enable staff to focus and prioritize what matters most
- 3** Employ the skills to effectively manage change
- 4** Make 'safe practice' an integral part of professional learning
- 4** Collaborate, value transparency, and inform and engage stakeholders

Evidence

We looked at 5 essentials data, 2018-2020 SEF, SQRP, and Discipline Reports. We rated ourselves similar to the 5 Essentials data from 2019. We need to improve on involving others in decision making.

4

Structure for Continuous Improvement

- 3** Engage in ongoing inquiry (e.g. continuous improvement cycles) as a basis for improvement
- 3** Build the capacity of teacher teams to lead cycles of learning and problem solving focused on student learning data and student work
- 4** Design professional learning (PL) to achieve school-wide improvement goals
- 4** Design and implement school day schedules that are responsive to student needs
- 4** Align the budget to the CIWP priorities and the mission of the school
- 4** Strategically hire, assign, and retain teachers to create balanced grade/content teams with a variety of strengths to ensure all students have equitable access to high-quality teachers
- 3** The local school council (LSC) or another community oversight committee of board is actively and productively involved in supporting SEL initiatives and improvements to school climate (REQUIRED: OSEL)
- 3** Physical surroundings convey a positive, student-centered school environment (REQUIRED: OSEL)

Evidence

Data sources: 5 Essentials, ACCESS results, State Report Card, Vision portal SQRP on track rates, attendance rates, discipline reports, REACH Observation trends, and Progress Monitoring . On track and attendance still high. The majority of our ratings still remain high but notice some need areas that we need to look at.

Depth and Breadth of Student Learning and Quality Teaching Expand all

3

Curriculum

- 3** Provide culturally relevant/sustaining curriculum that provides opportunities to explore and celebrate student's communities, culture, history, and language
- 4** Utilize the 'big ideas' that should be taught to determine whether students are being taught the body of knowledge, the understandings, and the skills expected
- 3** Curriculum connects to real world, authentic application of learning
- 3** Curriculum is aligned to expectations of the standards
- 4** Integrate the teaching of academics and the ISBE Social Emotional Learning Standards (REQUIRED: OSEL)

4 Expand access to diverse, contemporary well-stocked text collections that provide opportunities for all students to engage with text from a wide range of genres, including text of appropriate grade level complexity

Evidence

Data Sources: vision portal, on-track rates, Reach observation, Access, teaching strategies gold, KIDS assessment, primary math and literacy data, algebra, IAR, ISA We noticed growth trends in the data for middle and upper grades. We need to focus on Math for our primary years.

3

Instruction

4 Create a culture that reflects high expectations for all students and enables practice and perseverance for each individual student (REQUIRED: OSEL)

- 3 Engage students in learning and foster student ownership
- 3 Use questioning and discussion as techniques to deepen student understanding
- 4 Plan and assign tasks that are cognitively challenging for individual students and require students to provide evidence of their reasoning
- 4 Provide students frequent, informative feedback
- 4 Persist in adjusting instruction so individual student misunderstandings or advanced needs are successfully accommodated
- 3 Engage all learners in content areas by differentiating and fully integrating opportunities for all learners
- 3 Tasks convey the key shifts and practices of the discipline. (See departmental guidance for Arts Education, Health and Physical Education, Literacy, Math, Science, Social Science & Civic Engagement)

Evidence

Data Sources: on-track rates, Reach observation, Access, teaching strategies gold, KIDS assessment, primary math and literacy data, algebra, IAR, ISA, NWEA, Instructional rounds We noticed that we need to add time for vertical planning, Peer observations and collaboration to ensure fidelity to programs and share ideas with one another; implement instructional rounds more often

4

Balanced Assessment and Grading

- 4 School-based teams discuss and monitor the effect of teaching on student learning, integrate formative assessment into instruction and intervention of individual students
- 4 Use multiple measures (i.e. a range of assessment types and at multiple points in time) to supplement district-centralized assessments with other formative assessments to provide a more comprehensive picture of student learning
- 4 ILT, GLT, and interventionists use a Problem Solving Process approach to screening, diagnostic, and progress monitoring assessments to identify specific gaps and monitoring improvement for students within all tiers
- 3 Make assessments accessible to students, including diverse learners and English Learners through employing features of universal design and use of accommodations and, where needed, modifications
- 4 Utilize assessments that reflect the key shifts in content areas in teacher created or selected assessments
- 3 Utilize assessments that measure the development of academic language for English learners
- 3 Have access to and analyze school-wide, teacher team, and classroom assessment data to determine instructional effectiveness, in house criteria, and subsequent learning needs
- 4 Improve and promote assessment literacy
- 4 Have a grading system that clearly, accurately, consistently, and fairly communicates learning progress and achievement to students, families, postsecondary institutions, and prospective employers

Evidence

Data Sources: Illinois state report cards, attendance rate, ACCESS Reports, ASPEN, NWEA, IB reports We found a need area in making assessments more accessible for our ELs and diverse learners taking into account EL Proficiency levels and IEP goals.

3

MTSS

- 4 ON TRACK - Provide universal supports to prevent failing and absenteeism and targeted interventions for grades below "C" or chronic absenteeism (REQUIRED: MTSS)
- 3 MTSS Team completes SEF ratings for MTSS subcategories (denoted as "REQUIRED MTSS") at MOY and EOY to reflect on MTSS fidelity of implementation (REQUIRED: MTSS)
- 4 MTSS Team uses MTSS Framework Implementation Guide or other resources from Central Office to align priorities to outcomes (REQUIRED: MTSS)
- 4 Administration supports MTSS Team with resources needed to make changes to framework/system (REQUIRED: MTSS)
- 3 School tracks growth of ALL students, specifically students receiving Tier 2 and Tier 3 supports based on district-wide available data to accurately assess student achievement results and school practices (REQUIRED: MTSS & OSEL)

- 3 Shared Leadership: Administration recruits a diverse MTSS core team (content areas, counselors, etc.), or identifies an existing team that is responsible for driving the school's MTSS Framework and Implementation (REQUIRED: MTSS & OSEL)
- 4 Shared Leadership: MTSS Team uses multiple data sources to determine local Tiering Criteria For Tier 1, Tier 2, Tier 3 interventions (REQUIRED: MTSS & OSEL)
- 3 Shared Leadership: MTSS Team develops a Menu of Interventions that clearly outlines the supports, resources, system and structures for Tier 1, Tier 2, and Tier 3 (REQUIRED: MTSS & OSEL)
- 4 Shared Leadership: School Teams communicate MTSS related outcomes to all stakeholders (REQUIRED: MTSS & OSEL)
- 4 Problem Solving Process: MTSS Team, teachers, and intervention providers use the Problem Solving Process (PSP) to identify root causes and contributing factors of deficit areas (REQUIRED: MTSS & OSEL)
- 4 Problem Solving Process: MTSS Team gathers and utilizes multiple data sources to define the problems and take action for Tiers 1, 2, and 3 (REQUIRED: MTSS & OSEL)
- 3 Curriculum and Instruction: Instructional staff provides culturally relevant, high-quality, standards-aligned curriculum in which SEL instruction is embedded into core content (REQUIRED: MTSS & OSEL)
- 3 Curriculum and Instruction: Instructional staff provides differentiated instruction to meet the needs of all students (REQUIRED: MTSS)
- 3 Curriculum and Instruction: Instructional staff provides interventions that are research-based (REQUIRED: MTSS & OSEL)
- 3 Curriculum and Instruction: School Teams analyze data to prioritize opportunities to improve instruction, guide grouping, re-teaching and to identify/prioritize instructional needs (REQUIRED: MTSS)
- 3 Progress Monitoring (PM): School identifies and uses a research-based diagnostic tool and process to determine root-cause and area of need for Tier 2 and Tier 3 supports (REQUIRED: MTSS & OSEL)
- 3 Progress Monitoring (PM): School Teams progress monitor and analyze student response to intervention throughout the intervention cycle to determine and implement needed adjustments (REQUIRED: MTSS & OSEL)
- 3 Progress Monitoring (PM): MTSS Team clearly defines the method, duration, frequency, and measures for progress monitoring (REQUIRED: MTSS & OSEL)
- 4 Family & Community Engagement: School establishes regular communication with families to build their understanding of MTSS, purpose of interventions and tiered support systems, and how it will support their child (REQUIRED: MTSS & OSEL)
- 4 Family & Community Engagement: School teams develop a process of communication for formally notifying parents/families when their child is selected to receive Tier 2 or Tier 3 interventions (REQUIRED: MTSS & OSEL)
- 2 Family & Community Engagement: Administration and school teams establish and continually evaluate community partnerships to support MTSS implementation (i.e. providing Tier 2 or Tier 3 supports) (REQUIRED: MTSS & OSEL)
- 3 Family & Community Engagement: School teams ensure that feedback/input from families is taken into consideration during the PSP and intervention planning (REQUIRED: MTSS & OSEL)
- 3 Family & Community Engagement: School engages families in supporting with progress monitoring of their students (REQUIRED: MTSS & OSEL)
- 4 Fidelity of Implementation: School teams utilize the SAM at BOY, MOY and EOY to reflect on MTSS fidelity of Implementation (REQUIRED: MTSS)
- 4 Fidelity of Implementation: School teams use MTSS Framework Implementation Guide and/or other resources from Central Office to align priorities to outcomes (REQUIRED: MTSS)
- 3 Fidelity of Implementation: School teams leverage other self-reflecting processes such as the SEF or the CIWP to evaluate and improve MTSS framework and implementation (REQUIRED: MTSS)
- 4 Fidelity of Implementation: Administration supports the fidelity of MTSS practices, principles, and resources needed to make suitable changes to systems and structures (REQUIRED: MTSS)

Evidence

4

Transitions, College & Career Access, & Persistence

- 4 TRANSITIONS - Have structures and processes in place to ensure successful transitions (e.g. into school, grade to grade, school to school, school to post-secondary)
- 3 AWARENESS - Expose students early to academic/professional worlds beyond K-12
- 4 READINESS – Ensure equitable access to college preparatory curriculum
- 4 SUCCESS - Provide direct assistance to all students and families through every stage of the college selection, application, and entry process (Transition to College (HS)) including, but not limited to academic planning/advising to assist with

Evidence

Data Sources: IEPs 7th and 8th grades ontrac rates, nwea , algebra pass rates, IAR, ISA, O*net interest inventory, student and parent questionnaires, Naviance, high school fair, career fair, JA, shadow days, letter writing to colleges We feel that the transition planning is a good start to think of the future which includes independent living skills, social skills, and career skills, and allows students to voice their concerns about HS and beyond. But feel the questions "upon secondary education" should be changed to "upon graduating from 8th grade" as children have a hard time seeing beyond what is in the near future.

Quality and Character of School Life Expand all

4

Relational Trust

- 4 Foster respectful and supportive student-student interactions, with strong norms for responsible behavior, to encourage a sense of belonging to the school and the classroom community (REQUIRED: OSEL)
- 4 Foster supportive, caring and respectful staff-student interactions, so that each student has at least one trusted adult in the school (REQUIRED: OSEL)
- 4 Adults support and respect one another, personally and professionally (Teacher-Teacher Trust, Teacher-Principal Trust) (REQUIRED: OSEL)

Evidence

Data Sources: reach obs trends, 5 essential , schedule, prep/DLs/resource schedules, discipline reports, 2nd Step program, PD schedules We feel this is a positive area as all staff, parents, students have a respectful relationship. There is no staff turn-around, they stay until retirement.

3

Student Voice, Engagement, and Civic Life

- 4 Study politics
- 3 Become informed voters and participants in the electoral process
- 3 Engage in discussions about current and controversial issues
- 3 Explore their identities and beliefs (REQUIRED: OSEL)
- 2 Exercise student voice (REQUIRED: OSEL)
- 2 Authentically interact with community and civic leaders
- 2 Engage with their community
- 3 Take informed action where they work together to propose and advocate for solutions
- 2 Experience a schoolwide civics culture

Evidence

Data Sources: 5 Essentials report, According to 5 Essential report our involved families component rated very strong, but some staff feel a need to review the curriculum and look at the representation of different cultures.

3

Physical and Emotional Safety

- 4 Ensure students and adults feel physically, socially, intellectually, and emotionally safe throughout the school (REQUIRED: OSEL)
- 4 Provide clear procedures for reporting and responding to concerns about safety and well-being (REQUIRED: OSEL)
- 3 Manage efficient and orderly transitions between activities (REQUIRED: OSEL)
- 2 A representative team (e.g. admins, teachers, staff, families, & students) dedicated to school climate development meets regularly to make decisions that promote SEL and create supportive, restorative, and trauma sensitive environments (REQUIRED: OSEL)

Evidence

EMT plan, 5 Essentials, discipline reports, behavioral plans, CHAMPS, 2nd Step, Guest Speakers We are continuing to bring in guest speakers for talks on cyber safety, traffic safety, vaping unit, health unit, etc.

4

Supportive and Equitable Approaches to Discipline

- 4 INSTRUCTIVE - Integrate universal SEL skills instruction in disciplinary responses (REQUIRED: OSEL)
- 3 RESTORATIVE - Employ a discipline system that guides students to take ownership, resolve conflict, and learn from their actions (REQUIRED: OSEL)
- 4 SUPPORTIVE - Employ a discipline system that assesses the root causes of student behaviors and utilizes a trauma-informed, multi-tiered approach to supportive social and emotional intervention (REQUIRED: OSEL)
- 4 EQUITABLE - Employ a discipline system that ensures equity across groups of students, school-wide and district-wide (REQUIRED: OSEL)

Evidence

Data sources: EMT, 5 Essentials Survey

4

Family & Community Engagement

- 4 Establish a welcoming environment for families and community members that is warm, inviting, and helpful (REQUIRED: OSEL)
- 4 Provide frequent, high quality, well publicized opportunities for families and community to participate in authentic and engaging activities in the school community (e.g. student performances/ exhibitions, literacy, or math events).
- 4 Provide multiple opportunities for parents to ask questions, raise concerns, and give feedback
- 4 Teachers and families see each other as partners in educating children, and all families are directly invited to formally contribute and participate in decision-making about their children and about the school (REQUIRED: OSEL)
- 3 Communicate with families proactively and frequently about class and individual activities and individual student's progress (REQUIRED: OSEL)
- 4 Conduct intensive outreach to families in need of specialized support through home visits and collaboration with social service agencies (REQUIRED: OSEL)
- 4 Partner equitably with parents speaking languages other than English
- 3 Partner with one or more organizations that share the values of the school and have a complementary mission to the school's vision (REQUIRED: OSEL)

Overall assessment: **3 (most practices evident)**

Yes Root causes are used to identify 3 to 5 SEF categories are selected as priority areas.

Yes Selected priority areas reflect capacity of the staff to achieve progress in each area within two years.

Goals

Areas of critical need and root cause analysis

By checking this box, I confirm that we have recalled previous data analysis, conducted new data analysis as needed, and indicated 3-5 areas of critical need in our school's CIWP Google sheet for the Area of Critical Need component. We will now move on to the Goals component.;

By checking this box, I confirm that we have completed a root cause analysis for **each** area of critical need and indicated 3-5 root causes in our school's CIWP Google sheet for the Root Cause Analysis component.

Vision metrics

Fund Compliance

ESSA Program

ESSA Schoolwide Program

The school must annually review the schoolwide plan/program. The schoolwide program plan is available to CPS, parents, and the public, and the information in the plan is in an understandable and uniform format, and to the extent practicable in a language the parents can understand. Please list evidence for the ESSA Schoolwide Program requirements outlined below.

Non-title I school that does not receive any Title I funds

Parent Involvement and Schoolwide Programs

I verify that the statement below is correct

Every Student Succeeds Act (ESSA), the reauthorization of the Elementary and Secondary Act of 1965 continues a legislative commitment to parental involvement. Central features of prior reauthorizations, such as school-parent compacts, parent involvement policies, and the parent involvement funding formula remain unaltered. However, the ESSA reauthorization represents a notable shift in the role of parent and family engagement in the schools. It includes new provisions increasing parental notification requirements, parental selection of educational options, and parental engagement in governance. It envisions parents as informed and empowered decision makers in their children's education.

Parent and Family Plan

Parent and Family Engagement Policy

Complete

Schools must involve parents and family in the joint development and periodic review and revision of the ESSA, Title I school parental and family engagement plan and policy, and in the process of school review and improvement. Please describe how this will be accomplished.

Parents will be consulted through regular monthly parent meetings. Monthly meetings are scheduled throughout the year to review and revise the ESSA Title I parental and family engagement plan and policy, school review process, and school improvement.

The school will hold an annual meeting at a time convenient to parents and families during the first month of school to inform them of the school's participation in ESSA, Title I programs and to explain the Title I requirements and their right to be involved in the Title I programs. The school will also hold an annual Title I PAC Organizational meeting at which 4 PAC officers are elected and monthly meeting dates are identified. The school will also offer parental and family engagement meetings, including monthly school PAC meetings, at different times and will invite all parents and key family members of children participating in the ESSA, Title I program to these meetings, and encourage them to attend. Please describe how this will be accomplished. Please list the projected date of your Title I Annual Meeting and your Title I PAC Organizational Meeting

Monthly meetings will be put on the school calendar that is given to parents. Parents will also be notified by the Blackboard out-call system. The annual meeting agenda will be posted and the meeting notice will be sent to all parents seven days prior to the annual meeting. Annual Title I Meeting and PAC Organization Meeting. The Principal will provide parents with information regarding the ESSA Title I Parent and Family Engagement plan at the annual meeting held at the start of each academic school year. At this meeting, parents will receive information regarding academic and enrichment programs, curriculum, assessment data, and ways that parents can serve as partners with the school.

At the request of parents, schools will provide opportunities for regular meetings, including the School Parent Advisory Council meetings, for parents and family members to formulate suggestions and to participate, as appropriate, in decisions about the education of their children. Please describe how the school will immediately respond to any such suggestions.

We have a room (104) for parents to hold their regular meetings. During the monthly meetings someone from the administrative team is available to listen to and respond to parent questions, suggestions and input about the education of their children. Administration also reads and responds to notes that are taken at the monthly parent meetings. At the end of the school year and at the beginning of the following school year, parents are asked to provide input on topics they would like to have presented at monthly meetings or workshops. This is an "active" list from which administration and the parent facilitator gather information and seek out resources to provide parents with workshops to meet their specific needs/requests. There is also a parent participation section on each agenda so that parents have an opportunity to voice their suggestions, comments, and/or concerns.

Schools will provide parents a report of their child's performance on the State assessment in at least math, language arts and reading. Please describe how this will be accomplished.

Coordinate parent meeting dates to involve all parent stakeholders- BAC, PAC, PTC, etc. Classroom Teachers, MTSS Teacher and English Language Program Teacher, will communicate with parents regarding reading performance measures and how parents can help at home. We will also send printed reports of each child's performance on state assessments (IAR and ACCESS for ELs) as well as communicate iReady and Star 360 data. State assessment reports will be sent to parents as soon as they become available, usually in September of the following school year.

Schools will provide parents timely notice when their child has been assigned to, or taught by, a teacher who is not "highly qualified," as defined in the Title I Final Regulations, for at least four (4) consecutive weeks. Please describe how this will be accomplished.

Parents will be notified immediately if the instructor is not highly qualified. Parents will receive appropriate letters regarding this situation.

Schools will assist parents of participating ESSA Title I children in understanding: the state's academic content standards; the state's student academic achievement standards; the state and local academic assessments including alternate assessments; the requirements of Title I, Part A; how to monitor their child's progress; and how to work with educators. Please describe how this will be accomplished.

Parents will have the opportunity to speak to teachers and administration regarding assessment results and standards at all times during the school year. Parents can schedule appointments with teachers and administrators throughout the academic year. Principal also presents a State of the School presentation at the beginning of the year for all parent groups (LSC, PTC, PAC, & BAC) explaining academic assessments and their results. Parents will receive student letters that will explain student progress on all assessments. Parents also have the opportunity to meet with the technology coordinator to set up a Parent Portal account that allows parents 24/7 access to their child's grades.

Schools will provide information, resources, materials and training, including literacy training and technology, as appropriate, to assist parents and family members in working with their children to improve their academic achievement, and to encourage increased parental involvement. Please describe how this will be accomplished.

Kinzie hosts a Family Reading Night in which parents can come to school and learn how they can assist their children at home. A resource room is provided within the school with resources to help parents. During report card pick up a workshop is held to assist parent to access their child's grades on the parent portal. Parents are encouraged to be a part of the school and attend BAC, PAC, and PTC meetings to learn about Kinzie School. Parents have access to software and textual materials provided by Kinzie School to help their children at home. Parents are also encouraged to attend field trips with their child. Kinzie hosts various programs within the school and parents come out and volunteer.

Schools will educate all staff in the value and utility of contributions by parents and family and in how to reach out to, communicate and work with, parents and

family as equal partners in the education of their children and in how to implement and coordinate parent and family programs and build ties with parents and family members. Please describe how this will be accomplished.

Our staff provides workshops for parents with literacy information and will provide information regarding technology. Staff assists parents to improve the academic achievement of their children through ongoing communication. Staff members are encouraged to reach out to families on an ongoing basis via CPS Mail. Many teachers also use the Google Classroom to communicate with students and parents about assignments, upcoming assessment, and academic expectations. Teachers are encouraged to invite parents to volunteer in their classrooms, ensuring that parents have completed the CPS requirements for volunteers.

Schools will, to the extent feasible and appropriate, coordinate and integrate parent and family programs and activities with Head Start, Reading First, Early Reading First involvement, Even Start, Home Instruction Programs for Preschool Youngsters, the Parents as Teachers Program, public preschool, and other programs, to further encourage and support parents and families in more fully participating in their children's education. Please describe how this will be accomplished.

We hold family events at the school to encourage involvement. Staff and parent attendance is very high for these events- Open House, Family Reading Night, Report Card Pick Ups, Family Fun Fest, etc.

Schools will ensure that information related to the school and parent and family programs, meetings, and other activities is sent to parents in understandable and uniform formats, including language. Please describe how this will be accomplished.

Information will be distributed to parents in a timely manner in several ways(out-calls, flyers sent home, monthly calendars, posted on marquee outside of the school, school website) and in several languages. Fliers are posted at each door in English, Spanish, and Polish informing parents of upcoming meetings, workshops, and events.

Policy Implementation Activities

The LSC will approve the school improvement plan and monitor the CIWP.

In the CIWP, the school identifies current parental and family engagement practices and outlines activities related to expanding parent and family partnership programs.

The school will coordinate the parent and family engagement programs identified in the CIWP.

The school will evaluate the Parent and Family Engagement Policy for effectiveness and make improvements as necessary.

Explain why any of the boxes above are unchecked: (type "n/a" if all are checked)

All are checked.

School-Parent Compact

Complete

The school will provide high-quality curriculum and instruction in a supportive and effective learning environment that enables the participating student to meet the State's student academic achievement standards. Describe how the school will provide high-quality curriculum and instruction in a supportive environment. (Restate the school mission.)

Kinzie Elementary School's rigorous curriculum and diverse environment empowers all students to become critical thinkers, lifelong learners, global citizens and visionary leaders of the future.

The school will hold parent-teacher conferences. Describe the kinds of parent-teacher conferences that will be held and the dates on which they are scheduled.

Kinzie has a Fall Open House where we invite all parents to meet the teachers and staff. 1st, 2nd & 3rd quarter Report Card Pick-up dates provide an opportunity for parents to meet directly with teachers to discuss student progress. Progress reports are sent home every 5 weeks, in between report card distribution, to ensure that parents know about their child's academic performance before the end of the marking period and can schedule meetings with teachers, as needed. IEP/504 meetings are held annually for all diverse learners. Eighth grade parent meetings are scheduled every five weeks with students that are at risk to ensure success and graduation. Parents can meet with teachers Monday- Friday during teacher preparation periods when an appointment is scheduled.

The school will provide parents with frequent reports on their children's progress. Describe when and how the school will provide reports to parents.

Kinzie will send 5 week progress reports, quarterly report cards/IEP supplements, quarterly progress reports and assessment information to parents to keep them informed of student progress.

The school will provide parents access to staff. Describe when, where and how staff will be available for consultations with parents.

Kinzie is open before school and after school hours. Teachers are available for parent meetings at all times with prior written request. Parents can also meet with teachers during their preparation periods. Parents also communicate with teachers via CPS email and through telephone conferences.

The school will provide parents opportunities to volunteer and participate in their children's classes. Describe how and when parents and family members may volunteer, participate, and observe classroom activities.

Parents are welcome to volunteer any time at Kinzie. Parents must complete CPS documentation before they can begin volunteering. Upon completion of the necessary CPS requirements, parents are welcomed to volunteer as chaperones on field trips, classroom volunteers, recess monitor volunteers, to name a few.

The parents will support their children's learning. Describe how the parents will assist learning (i.e. monitoring attendance, homework completion).

We ask parents to monitor grades on parent portal, check daily planners and discuss progress daily with their children. Parents must monitor homework daily to ensure homework is completed. Parents must ensure that their children attend school and are on time every day.

The parents will participate in decisions relating to the education of their children. Describe when, where and how parents will consult with the school.

Parents are invited to monthly parent meetings (BAC, PAC, PTC, and LSC) where they are able to express their concerns, ideas and plans for the future of Kinzie Elementary. Parent communication is frequent through letters, out-calls, monthly calendars, the Kinzie Website, and postings on the school marquee.

The students will share the responsibility for improved student academic achievement. Describe how the students will assure academic achievement (i.e. good attendance, positive attitude, class preparation).

We ask all students to attend school regularly, come to school prepared with their homework and supplies, resolve conflicts in a positive way and always try to do their best in their work and behavior. Each morning, students recite the Kinzie School Pledge to get them focused on the expectations that the school has for them and that they should have of themselves. School-wide attendance incentives are in place to encourage classrooms and grade level teams to be in school daily.

Parent Budget

Complete

Goals: Indicate goals, timeline of activities, resource material distribution and/or training topics that are designed to assist parents and families with increasing their students' academic achievement. The overarching goal is to increase student academic achievement through parental and family engagement involvement; specify your goals.

Our goal(s): 1. To have parents attend monthly meetings where they provide feedback for school improvement and receive information on student assessments/reports and how to read them (strengths and areas of need), Parent Portal (monitoring of grades and homework), events at Kinzie and other school parent committees. 2. Offer parents quarterly workshops which provide the parents tools to help their children make academic and social gains.

Achieving the strategy

Add additional context explaining how spending in this category supports your associated CIWP goals targeted by each theory of action.

Providing the same amount of resources to students and schools with different lived experiences, assets, and challenges will maintain the status quo of unequal achievement. Please reference the draft CPS Equity Framework as you connect your strategies with the opportunity gaps at your school. How does the spend in the above categories help achieve the strategy outcome and what specific opportunity gap that will be addressed?

Example: Adding an additional math teacher will support the implementation of smaller classes in 3rd-5th grades.

Purchase a MTSS coordinator to assist with Tier 3 students. After School Buckets to assist students who are at risk. IXL Math to supplement our current curriculum.

Strategy 2

Theory of action

If we do...provide students with a multi-modal approach to daily content area instruction including IB ATL skills, incorporating SEL to re-engage students in inquiry based learning, student-to-student discussions and student driven inquiry, planning and carrying out research, analyzing and interpreting information within the content areas, and evidence-based writing.

then we see...students will build the content knowledge and skills necessary to access increasingly complex texts

which leads to...40% of 3rd-8th grade students with IEPs show high growth on the Star 360 EOY Assessment at the end of the 2023 school year.

Achieving the strategy

Add additional context explaining how spending in this category supports your associated CIWP goals targeted by each theory of action.

Providing the same amount of resources to students and schools with different lived experiences, assets, and challenges will maintain the status quo of unequal achievement. Please reference the draft CPS Equity Framework as

you connect your strategies with the opportunity gaps at your school. How does the spend in the above categories help achieve the strategy outcome and what specific opportunity gap that will be addressed?

Example: Adding an additional math teacher will support the implementation of smaller classes in 3rd-5th grades.

Purchased a MTSS Coordinator to help support Tier 3 Students. K-3 students will receive professional development and materials for Wilson Reading Phonics program. Will purchase IXL Reading as a supplement to our curriculum. After School Buckets to assist students who are at risk.
