small dry erase white board	Expandable folder w/dividers for each subject	

Texas Instruments Calculator (TI-30X) (IMPORTANT!)

.....

### Necessary Classroom Supplies

*3 rolls of paper towels	2 large canisters of Anti-bacterial wipes
*3 boxes of tissues	1 pack of copy paper (white)
*3 small bottles of hand sanitizer	* 1 can of disinfectant spray (Lysol)

\*= These supplies can be purchased at a dollar store.

.....

Please have all these supplies with your child on the first day of school. It is important to be prepared to learn. Also, please put your child's name on all of the supplies because things can get misplaced and everyone's supplies look the same. I especially ask for your generosity in supplying the classroom supplies. We go through a lot of tissues and hand sanitizer come cold season. We never let the supplies go to waste because we are always wiping down desks and the door knobs. I will send a note home mid-year if anything needs to be refilled.

Thank you for your cooperation,

Mrs. McMillan
